Top of the Heap

After three years of major and minor blunders, this year's senior class had their fund-raising working like a well-oiled machine. Within the first two weeks of school, the class was selling salads and McDonalds, all raising money for the most spectacular prom in Ranney history.

At an all class meeting, seniors chose to be on various committees. Committees included the prom committee, the carnival committee, and the social committee. The reason for so many groups was to have as many students as possible involved in the class.

This senior class is the largest in Ranney history. Dr. Beispiel and Mrs. Racz had their hands full trying to get 53 seniors into colleges. Commencement had to be planned earlier than ever because of the class' unusual size.

Longing to Stray

This year the underclassmen kept the masses fed at lunch time. This year's juniors sold pizza, and they are raking in the money. The sophomores, besides sponsoring a very enjoyable Halloween dance, served subs once a week. Even the freshmen were able to join the act. They organized a committee representing the whole class and held bake sales every week. They also sold hand crocheted Snoopys for the holidays.

This year's underclassmen, especially the freshmen, were very active in clubs all around school. The French Club doubled in size thanks to its new French I students

FLASH!

Head of the List

We will never forget Pythagorus, Pascal the Rascal, or the definition of the median of a triangle (It's a line drawn from the vertex of an angle . . .), and we will always remember to "watch our s-i-g-n-s." Not only have you put up with our giggling over the latus rectum and the constant remarks that you "never heard", but you have tolerated a room that was always too hot or too cold (and had very noisy neighbors.) For buying journalism hotdogs, letting us play black jack on your calculator, and for many other small but important kindnesses, we dedicate this yearbook to you. Our respect for you is the lim as $x \rightarrow 0$ of one over x

On Their Way

"Hey! Watch where you're going!" "I feel like a sardine." "Ouch! You're stepping on my foot!" Is this a scene on a New York subway? No, it's the halls in the Barn between classes and in the mornings. This year's eighth grade class is the largest class in Ranney School history.

Due to their incredible number, the 76 students had to be divided into five sections instead of the usual four.

Some of the classes, such as Earth Science, had to be held in the High School to ease the pressure in the Barn.

Not only are the Barn students filling up the halls, but several high school students have been typing there. This new class has been very popular among the students of both buildings.....

Making a Start of it

RS — In a whirlwind of year-long activity, lower school Ranney students picked pumpkins, performed for parents and packed Thanksgiving packages. The fall holidays saw Ranney students journeying to a local farm to search for pumpkins and collecting food for Thanksgiving as a reminder to be thankful.

Kings of the Hill

Thank, you, thank you, and thank you. These deeply felt words are rarely said, but they are deeply felt.

First there is a heartfelt thank you to all the teachers who let their students out for pictures. Poor Dr. Searle once lost all his historians to group pictures. Another thank you to those teachers who let specific year-book people out of class to help Joel Gerard.

Second, there is not only a thank you, but also a big cheer for those teachers who risk their nerves and sanity to become class advisors. The surgeon general is still testing to see if this job is fatal. We know it causes high blood pressure

Girls' Soccer Team Triumphs

In spite of the serious injury of team stalwart Kim Cashman, the 1983 Ranney School girls' soccer team brought glory to itself and the school. The team achieved the most impressive record of any team, male or female, in the history of the school. The team ended the season with a conference record of six victories and one tie against St. Mary's of South Amboy (12-3!!) and Pennington (6-0). Exciting overtime play resulted in

several of these victories. On the strength of this record, the team made it to the finals for the State Championship in Division B.

Being a Part of It

The French and Spanish Clubs have had one of their most active years ever. The French Club, headed by Barbara Sampson, and the Spanish Club, headed by Marci Alboher, sold doughnuts each Thursday with the clubs alternating weeks. This year's French Club was nearly double the size of last years'. The club started their activities in November by going to New York City. They had lunch at a French restaurant and took in the movie "Pauline at the Beach". Although the trip had been postponed from October, it was worth the wait.

"More than any other time in history, mankind faces a cross road. One path leads to despair and utter hopelessness. The other to total extinction. I speak, by the way, not with any sense of futility, but with a panicky conviction of the absolute meaningless of existence which could easily be misinterpreted as pessimism. It is not. It is merely a healthy concern for the predicament of modern man. (Modern man is here defined as any person born after Nietzsche's edict that "God is dead," but before the hit recording "I Wanna Hold Your Hand.") This predicament can be stated in two ways, though certain linguistic philosophers prefer to reduce it to a mathematical equation where it can be easily solved and even carried around in the wallet.

"We are people who lack defined goals. We have never learned to love. We lack leaders and coherent programs. We are adrift alone in the cosmos wreaking monstrous violence on one another out of frustration and pain. Fortunately, we have not lost our sense of proportion. Summing it up, it is clear the future holds great opportunities. It also holds pitfalls. The trick will be to avoid the pitfalls, seize the opportunities, and get back home by six o'clock."

Who says English never changes? This year saw Mr. Hill leave at the end of November in order to take a job at Monmouth College. Replacing him is Mr. Jenkins. Ranney's gain is Nebraska's loss. Mrs. York, who was appointed English Department Chairman in the spring of 1983, spent her first year as Chairman holding meetings to revise and reorganize curriculum. The English Department is obviously one of the most dynamic at Ranney School.

Ranney has moved into the computer age. Computer Science and Computer Fundamentals classes have been added to the academic curriculum. The students spend two hours a week in lecture and two hours in lab working on the Apple IIe's. Eventually, the department hopes to offer students the A.P. in Computer Science. Never let it be said that Ranney's Math Department doesn't keep up with the times.

History

In 1983, forty per cent of the AP American history students received 4 or 5 on the exam. Let's hope that history repeats itself in 1984. This year also saw Mrs. Broidrick's retirement and Mrs. Tomlinson taking over art history. Mr. Regan took over the ancient history classes, but Rome still fell.

Children played a large part in the changes that occurred in the language department this year. First, Mrs. Berry left to have her baby, a girl, and was replaced by Mrs. Borys. Mrs. Taborn has returned to Ranney to teach Latin after an eight year absence during which she raised her son.

This department has had two new additions. Mr. Phillips is the new drama and forensics coach. The forensics team continues to do well, and the Dramatic Arts Workshop has been very busy with a total of three productions.

The second addition is a typing course taught by Mrs. Bassar. The classes are held in the Barn, and both High School and Barn students are participating in the program.

The Physical Education Department has a new coach this year, Miss Walsh, who is coaching the cheerleading squads. This year saw yet another increase in the percentage of students participating in sports. With all this increased spirit, it was really unfortunate that Ranney's "first ever" outdoor pep-rally and bonfire was cancelled because of bad weather.

Special Services

Where would we be without the people in special services? Who would give us aspirin? Who would sell us the books we need? Who would give us computer print outs of every child in the school, their families, and the students from the fourth grade up? With the new look upstairs, the people in this department are able to better serve us in all our many sudden needs.

There were several major changes in the library this year. Room 13 has been converted from a seminar/classroom into an office for the library. Finally Mrs. Friscia and Mrs. Presley have enough room for cataloguing and other work. Plans are being made to expand the library and to build a proper office. At that time room 13 will become a classroom again.

The library has also added a microfilm reader to its store of equipment. Now students will be able to take advantage of Ranney's excellent microfilm library that includes the New York Times as far back as 1860.

Maintenance

The Grumman buses may be falling apart and the Long Island Railroad may never be on time, but the Ranney transportation can always be counted upon to transport students safely and reliably. Maybe Mayor Koch should consider hiring the talented and dedicated people who run the Ranney School's maintenance and transportation department.

ACTIVITIES

Class Officers

To arrange a prom — the final culmination of a class' projects — you need a group of dedicated students. These are the class officers. Ninth through twelfth graders work hard fund raising in an effort to have a rich class by the time they graduate. Aided by their class advisors, the officers rely on the support of their classmates to insure success. Rather than elect specific officers, the class of '84 were the school's most successful fund raisers using a committee system. Thousands of McDonalds and subs were sold by hardworking volunteers. Another committee organized the yearly carnival.

Junior Class Officers — David Hunter, Fern Goldsmith, Elizabeth Urbanski, Steve Hafif, Carrie Lane.

Freshmen Class Officers — Scott Gold, Nadia Hovnanian, Adam Plotkin, Jennifer Rogers, Cathy Womble, Ilene Kaplan.

Sophomore Class Officers — Lee Feldman, George Hine, Frances Nemeth, Rena Amitay.

Student Council

Student Council — Jennifer Schedivy, Beth Fishman, Stacy Goldberg,
Cathy Jones, David Maquiling Missing: Megan McCaffrey.

Spanish Club — First row — Kathi Hadler, Gretchen Larson, David Hunter, Vivian Box, Lori Krivins, Sherwin Pollock, Carrie Lane, David Maquiling, Matt Mindlin. Second row — Fern Goldsmith, Elizabeth Urbanski, Preeti Bharara, Jim Letts, Lina Hoshino, Nicole Czachowski, Nitin Kumar, Lee Feldman, Dr. Vanderbilt. Third row — Marci Alboher, Sue Davis, Darrin Reda, Steve Hafif. Missing — Chris Surgent, Marion Box.

———— Spanish Club ————

The 1983-84 Spanish Club did not waste any time in providing activities for its members. Two Hispanic films, *Don Juan Tenorio* and *Las Calaveras*, were shown and a dinner was held at a well-known Spanish restaurant.

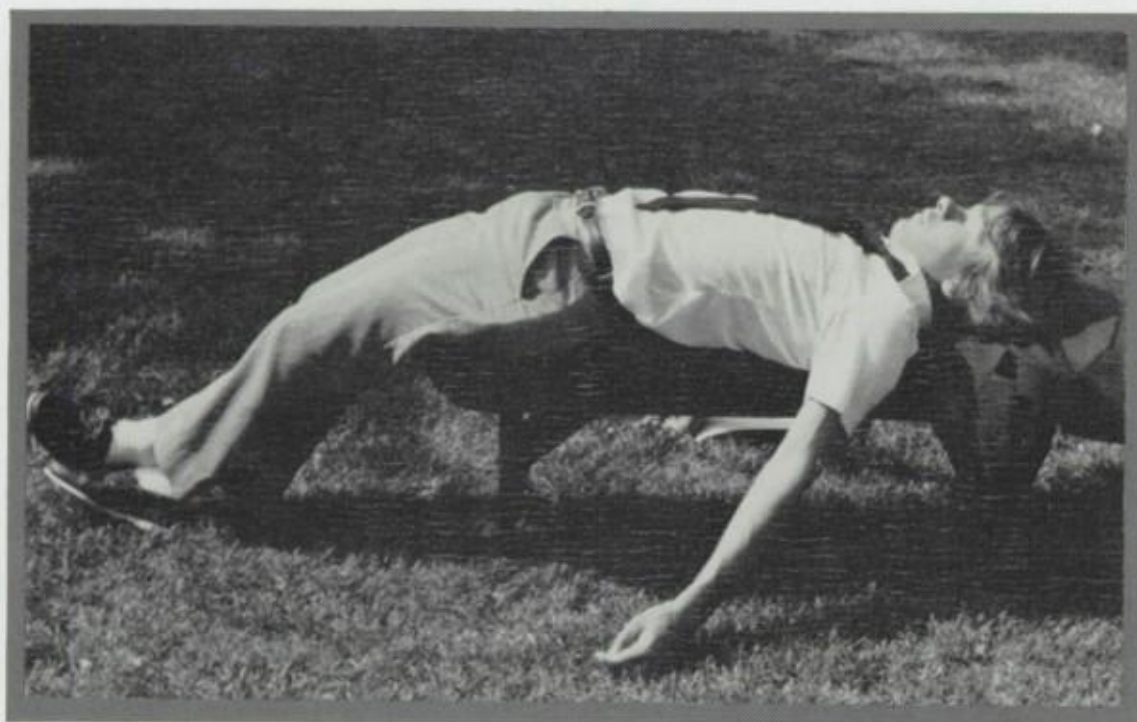

Dr. Vanderbilt, the club's advisor, and the club officers worked especially hard this year to organize different activities that would appeal to all of the members.

French Club — First row — Cathy Jones, Penny Post, Erica Daniels, Ilene Kaplan, Dorothy McCann, Nadia Hovnanian, Randy Berkowitz, Steven McCarty, Jennifer Rogers, Cathy Winkelmann, Ann Bolotin. Second row — Kathi Hadler, Karsten Drescher, Neil Govil, Cathy Holst, Stacy Goldberg, Nicola Jackson, Christie Gasiorowski, Ian Drysdale, Adam Plotkin. Third row — Lisa Renery, Sue Tomlinson, Barbara Sampson, Rona Weisburg, Ted Mazzarisi.

— French Club —

Frantic French Club members sold seventeen boxes of donuts every other week, the sale of which supported the numerous club activities. The results were worth the trouble. Two trips to New York City went off perfectly, as did the French Club Banquet. At the banquet Dr. Pike found an alligator in his cake, a French tradition meaning good luck, and Lee Feldman was attacked by a blindfolded Claudia Reagan. She hit him in the nose with the piñata which the Spanish Club brought for entertainment. Fortunately, he was not hurt and carried on in the true panther spirit.

Theatre — First row — Jim Letts, Alex Kazhdan, Karsten Drescher, Laura Gasiorowski, Karen Seitz, Sherwin Pollock, Nicole Czachowski. Second row — Michele Bahr, Erica Olsen, Marci Alboher, Sue Davis, Jon Rosen, Lisa Renery, Rona Weisburg, Erica Daniels, Dara Gumbs.

—Theater—

The Dramatic Arts Workshop, headed by newcomer, Mr. Phillips, had one of its best seasons ever. With two high school productions and one Barn production, all aspiring actors and technicians were able to take part. Despite the lack of male actors, both high school shows were successful. Actors and crew members worked together to put on professional looking performances.

Thespians — Sue Davis, Jon Rosen, Lisa Renery.

-Thespians-

Thespians are a group of dedicated theater people who have put in a lot of time on and backstage. Although there are only three thespians this year, they are all very active in the department. Both Jon Rosen and Lisa Renery held major roles in the fall production of *Butterflies are free* and Sue Davis was always there to manage the house.

Forensics — First row — Kathi Hadler, Laura Gasiorowski, Debbie Wasilewski, Lisa Jackson, Cathy Holst, Randy Berkowitz, Stacy Goldberg, Christie Gasiorowski, Nicola Jackson. Second row — Alex Kazhdan, Jim Letts, Sue Davis, Lee Feldman. Third row — Ian Drysdale, Marci Alboher, Jon Rosen, Lisa Renery, Nitin Kumar, Steven McCarty, Preeti Bharara.

— Forensics —

This year Mr. Phillips coached Ranney's award winning Forensics team. The team entered four students in the Oradel High School Forum Discussion Tournament. This was the first event of the season and senior Megan McCaffery won a second place trophy. The team, with their strong determination to win, had another terrific year.

Journalism — First row — Marc Alboher, Jennifer Schedivy, Alex Kazhdan, Sue Davis, Erica Olsen, Elizabeth Urbanski, Gretchen Larson, Lori Krivins, Randy Berkowitz, Fern Goldsmith. Second row — David Posnick, Jon Rosen, Paul Holstein, Nicola Jackson, Christie Gasiorowski, Stacy Goldberg, Jeff Bisbee, Bill Bainton, Steve Hafif. Third row — Nitin Kumar, Preeti Bharara, Jim Letts, Barbara Sampson, Rona Weisburg, Standing — Lisa Renery, Sue Tomlinson, Kathi Hadler, Debbie Wasilewski, Laura Gasiorowski. Missing — Lisa Jackson, Paula D'Ambrisi.

- Journalism -

"Where's the journalism lab?" Good question! Just when you thought they couldn't get us into a smaller space, we wind up in Room 3 of the Brod Building. After some furniture moving, the ambitious reporters, editors, artists, and photographers were able to adapt to their new surroundings, diligently creating **Horizons**, **Torch**, and **R.S.V.P.** Although this year there were very few juniors in the program, the seniors and Mrs. Racz's sophomores did an excellent job.

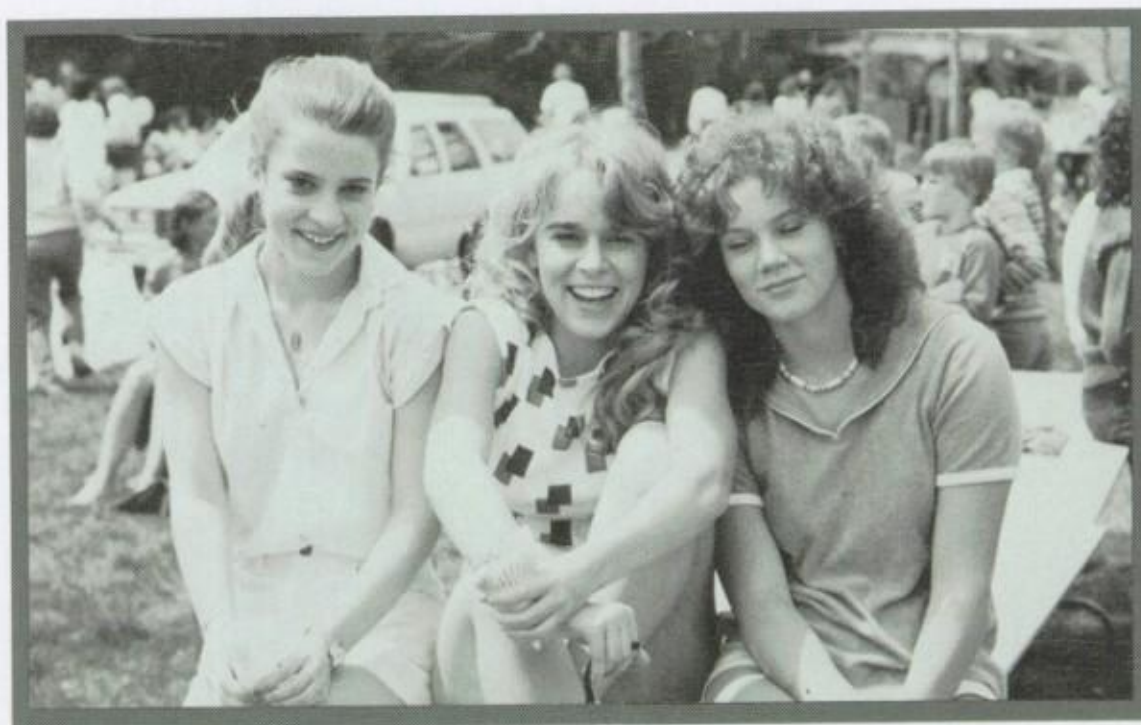

Torch — First row — Laura Gasiorowski, Debbie Wasilewski, Erica Olsen, Lisa Jackson, Sue Davis (editor), Paula D'Ambrisi, Randy Berkowitz, Nitin Kumar, Preeti Bharara. Second row — Fern Goldsmith, David Posnick, Jon Rosen, Henry Hieslmair, Stacy Goldberg, Chris Peruzzi. Third row — Jennifer Schedivy, Gretchen Larson, Alex Kazhdan, Michele Bahr, Jim Letts, Paul Holstein, Marci Alboher.

— Torch —

Quality articles, a professional look, and an experienced staff characterized **Torch** this year. The newspaper featured all the news that's fit to print from the student council to the soccer state championships and from detention to drama. Hard work and dedication were required of the editors and reporters who tried to present the activities and opinions of the Ranney School students, teachers, and administrators.

Horizons — First row — Jennifer Schedivy, Barbara Sampson (editor), Rona Weisburg, Fern Goldsmith, Debbie Wasilewski, Laura Gasiorowski, Gretchen Larson, Lori Krivins, Randy Berkowitz. Second row — Jim Letts, Alex Kazhdan, Sherwin Pollock, Lisa Jackson, Paula D'Ambrisi, Sue Davis, Robyn Silberman, Kathi Hadler, Stacy Goldberg, Joanie Chang. Third row — David Posnick, Paul Holstein, Beth Fishman, Jon Rosen, Andy Whiteman, Lisa Renery, Josh Rosoff.

— Horizons —

Year after year, a group of work-aholics unite to produce the king of the publication hill — the yearbook. As each section of **Horizons** goes to the publisher, the staff's blues fade away. In spite of problems with themes, candid photos, and typing, somehow, they get it together before every deadline to produce this book of memories. This year was exceptionally successful as the business manager was able to sell out the largest advertisement section ever.

R.S.V.P. First row — Lisa Renery (editor), Lina Hoshino, Barbara Sampson, Rona Weisburg, Randy Berkowitz, Cathy Jones, Penny Post, Lori Krivins. Second row — Sue Tomlinson, Jon Rosen, Stacy Goldberg, Preeti Bharara. Third row — Kathi Hadler, Debbie Wasilewski, Laura Gasiorowski, Gretchen Larson.

—RSVP—

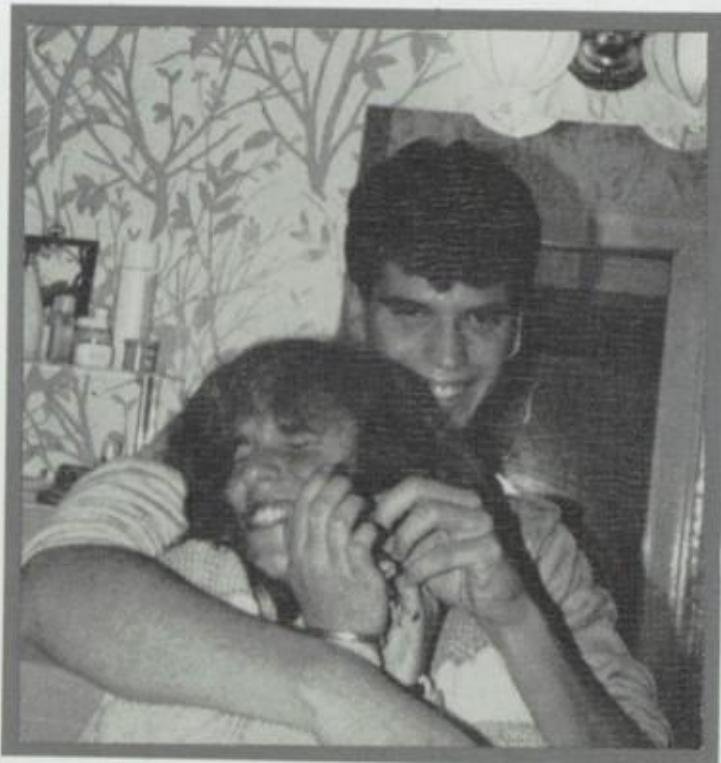

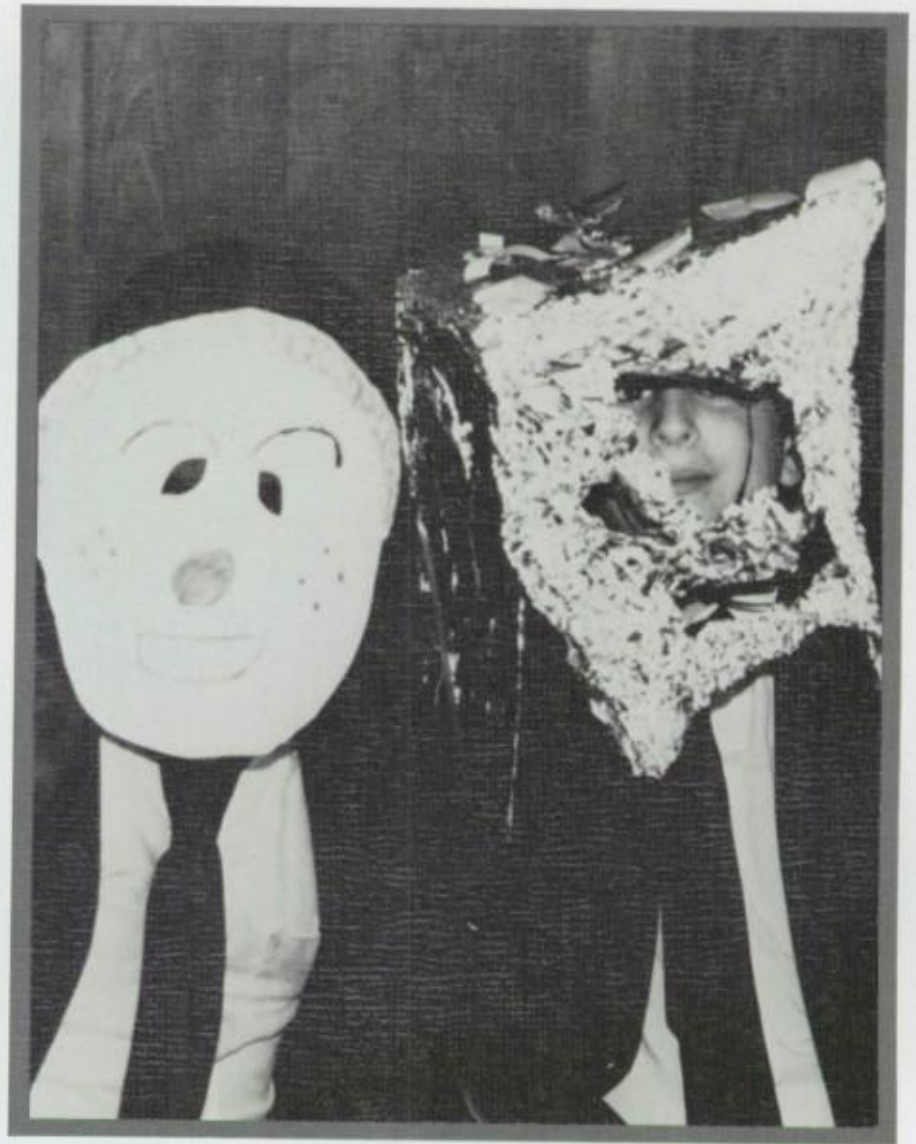

As in past years, the R.S.V.P. was flooded with creative contributions. But what made this year's volume special was the involvement shown by our younger artists and writers, as well as those in the high school. Some of the most interesting contributions were from Mrs. Saker's second graders, who wrote short poems and illustrated them with colorful crayon drawings. The magazine's theme, the theater, was significant, for its editors feel that the R.S.V.P. is a stage of sorts, where Ranney students can display their creative talents.

SPORTS

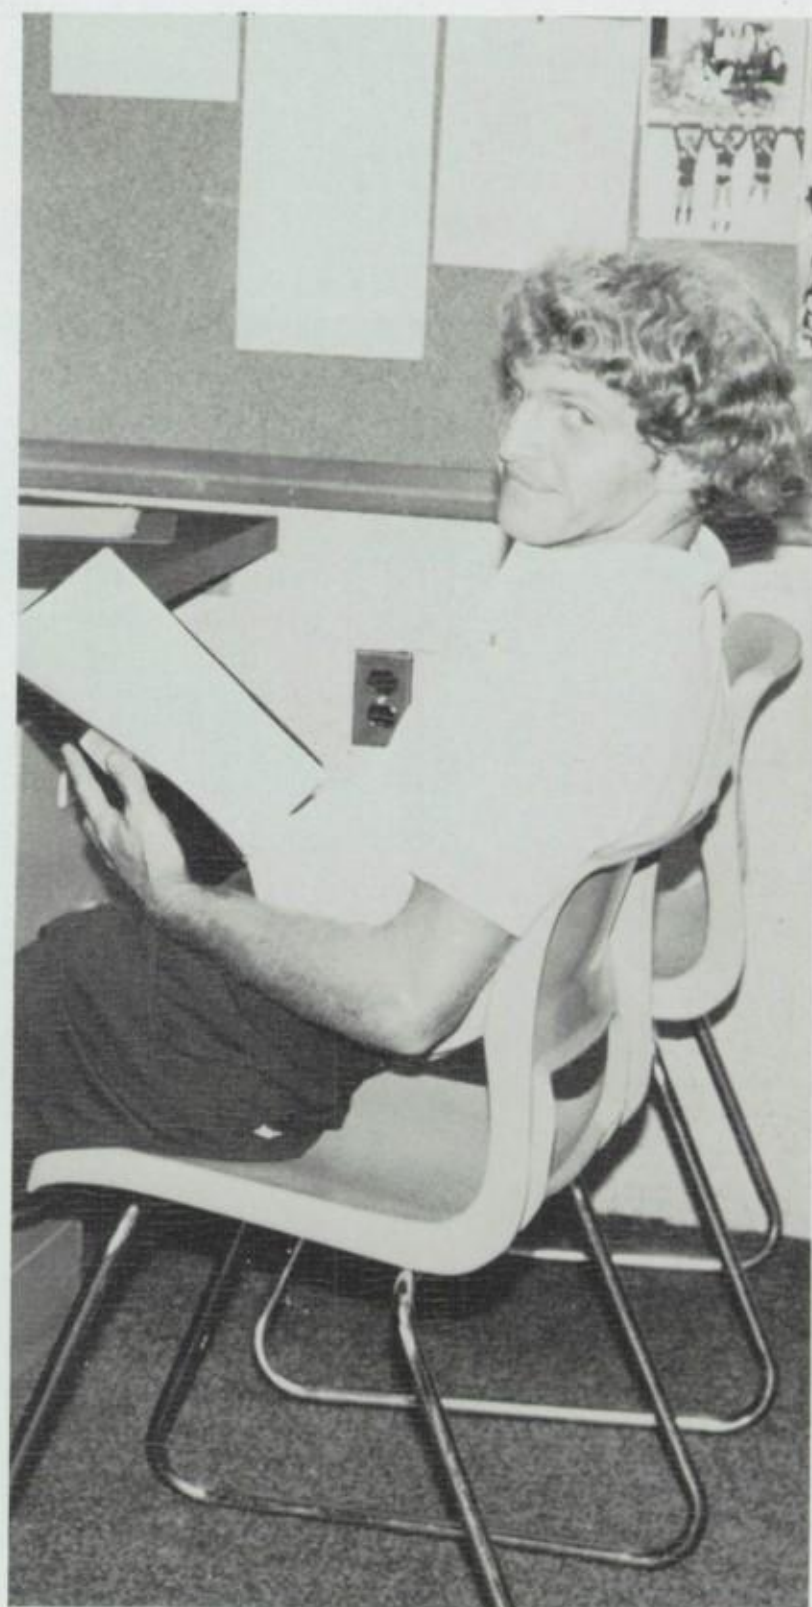

Soccer

It was a successful season for the boys' soccer team, and they were able to win a place in the New Jersey State Championships. The team's best game was played on October 26 against Perth Amboy Vocational Technical School. Despite several injuries early in the year, Ranney had a winning season and played like a true team.

Boys' Varsity Soccer — Back row — Alain Kennedy, Daryl Caposello, Jeffrey Bisbee, Darrin Reda, Bill Morris, Derk Becraft, Chuck Johnson, Jim McLain, Chris Cafarell, Rich Chan, Henry Hieslmair, Alex Kazhdan, Michael Maier, Coach Henderson. Middle row — Seth Brandwein, Karsten Drescher, William Samson, Andrew Whiteman, Lee Feldman, Andy Gosline, Justin Samson, Robby Wolf, Chris Saunders, Don Donaldson, Claudia Regan. Bottom row — Donald Hicks, Doug Borton, George Hine, Billy Stavola, Patrick O'Keefe.

Girls' Soccer

The girls' soccer team had another excellent year. Captain Kim Cashman had an unfortunate injury late in the season which kept her out of the finals. Despite this, the team had a season to be proud of. Their final record was 8-0-2 and they were ranked third in the state.

Girls' Soccer — Top row — Jodi Lawaich, Jennifer Hines, Elizabeth Urbanski, Cathy Holst, Michele High, Michelle Mato, Kerrie Borg, Lisa Jackson, Jeanetta Hicks, Jennifer Rogers. Bottom row — Coach Hanes, Rachel Vukovich, Christie Gasiorowski, Annitsa Arbes, Christine DeMontmorency, Kim Cashman, Allison Johnson, Nikki O'Keefe, Cindy Villano, Judi Oram, Cathy Winkelmann.

Swimming

This year's swim team was just that — a team. The core of dedicated swimmers, mostly seniors, was joined this year by quite a few new ones, making this year's team the strongest yet. Coach Walling stressed that what really mattered was that everyone had a chance to play a part in each meet. The team was completely behind him.

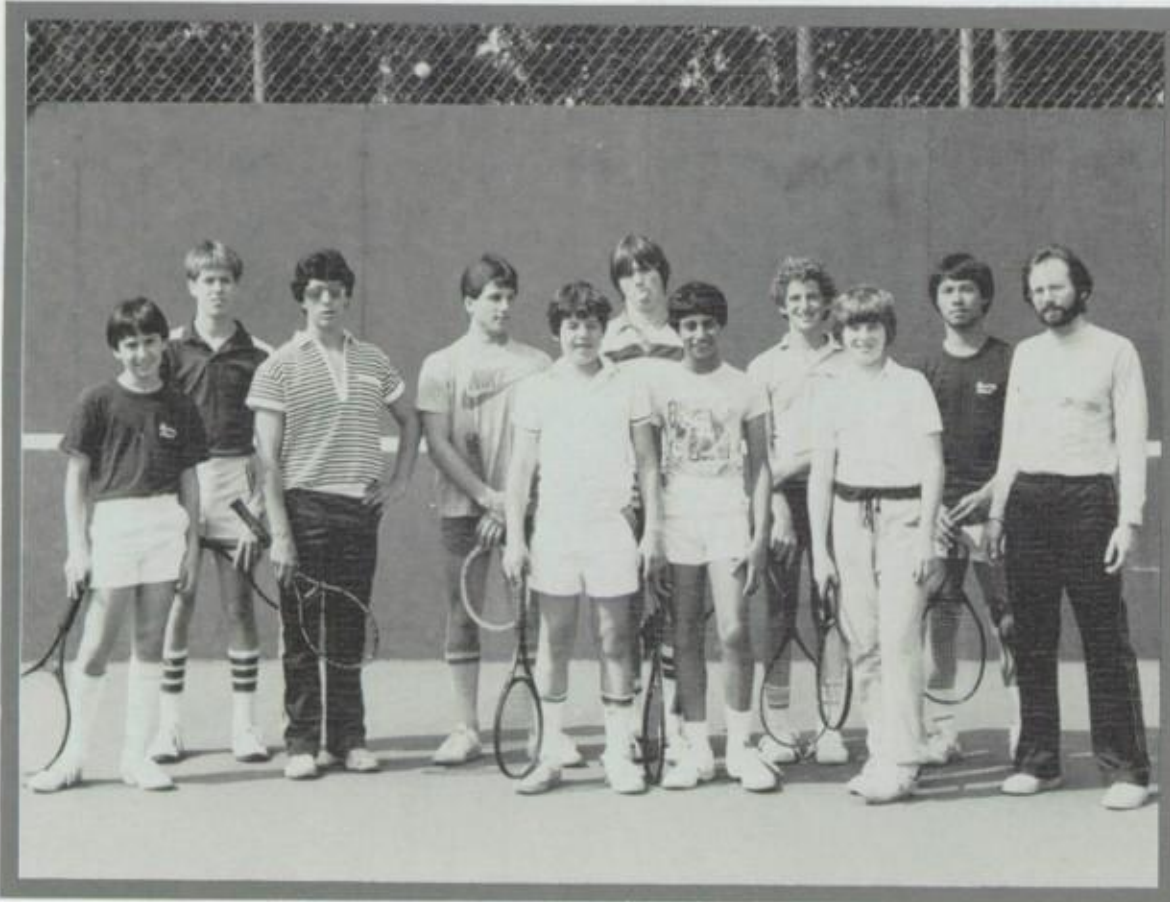

Varsity Swim Team — Top row — Bill Stavola, Doug Borton, Rick DiBiase. Middle row — Bill Morris, Paul Holstein, Richard Almquist, Brian Winters, Michael Kahn, Alex Kazhdan, David Latham, Donald Donaldson Bottom row — Marion Box, Babbie Steward, Megan McCaffrey, Christine Van Schoick, Cathy Winkelmann, Stacey Goldberg, Robyn Silberman, Pam Engel, Coach Walling. Kneeling — Windy Dungan, Karen Seitz, Nancy Hornick.

Tennis

With constantly improving teams and new coaches, both the boys' and girl' tennis teams are starting to come into their own. The teams have grown in size and spirit and there was little "love" on the courts. Look out Wimbledon — they're coming through.

Boys' Tennis Team — Paul Stonick, Kevin Donovan, Joe Infantolino, Ted Box, Jerry Scott, Bill Morris, Nitin Kumar, Ira Feld, Neil Holstein, John Hsu, Coach Steve Allspaw.

Junior Varsity Swim Team Top — Jon Boren, Louis Eichel, Ricky McCartin.
Bottom row — Jodi Armstrong, Melissa DiBiase, Amy Kurdyla.

Boys' Varsity Baseball — Standing — Chris Cafarell, Chris Saunders, Jay Connelly, Barry Funt, Augie Daesner, Jim McLain, Coach Hudak. Kneeling — Scott Eisenstien, Richard Chan, Ram Chandra, Robert Hsu, Bill Stavola.

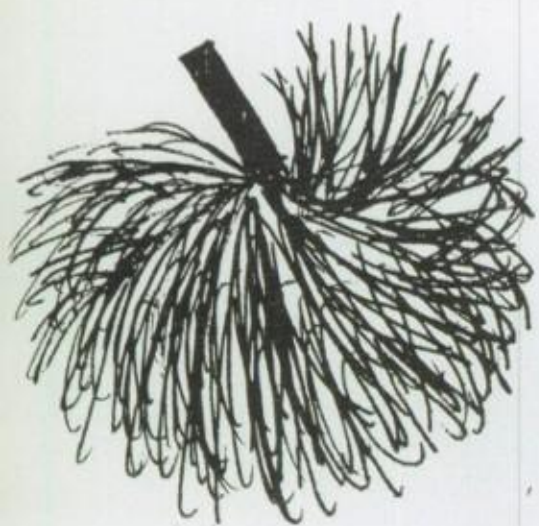

Baseball

Varsity Softball — Standing — Pam Engel, Catherine Woolley, Carolyn Schwartz, Marion Box, Marci Alboher, Allison Johnson, Debbie Wasilewski, Laura Gasiorowski, Michele Bahr, Cathy Winkelmann, Bonnie Woolley, Coach Mack. Kneeling — Beth Fishman, Holly Annarella, Kim Cashman, Jennifer Rogers, Dawn Ross, Cathy Johnson, Jennifer Schedivy, Karen Seitz.

The 1983 baseball team had two incredible wins. They beat Vail Deane, 14-1 and Doane Academy 13-0. In the latter game, Jim McLain had 18 strikeouts. The team's batting average was .211, and the team had a total of 76 hits and 71 runs. That means over 93% of the hits came home. Specifically, there were 11 doubles, 2 triples, 2 home-runs, and 27 stolen bases. Each year their record has improved. Terrific guys! This year's girls' softball team was coached by Mr. McGowen, who devoted a great deal of time and effort to improving the overall performance of the team.

Cheerleading

What group of students best represents the spirit of our school? The cheerleaders, of course, and this year was one of the best. In previous years tryouts were rarely necessary because so few girls were interested. This year the turn out was so good that Coach Walsh formed three squads for basketball season. Last year's cheerleaders were also seen cheering on the soccer teams.

Varsity Cheerleaders —Standing — Noel Daniels, Dara Gumbs, Nicole O'Keefe, Viki Scudiery, Andrea Stokes, Erica Daniels, Ilene Kaplan, Kneeling — Michele High.

Junior High Cheerleaders — Top — Jody Armstrong (Captain) Center row — Keri Belvin, Amy Kurdyla, Allison Bailes, Christine Grandinetti, Christine Scarano, Connie Oberle.
Seated — Emily Lichtig, Lauren Winters, Debbie Feiner.

Basketball

Varsity Basketball — Standing — Coach Hudak, Chris Surgent, Darrin Reda, Chuck Johnson, Jay Connelly, David Matorin, Chris Cafarell, Coach Madsen. Kneeling — Richard Chan, James McLain, David Posnick, David Maquiling, Steve Hafif.

Junior High Basketball — Standing — Coach Harris, Paul Stonick, Alan Stillman, Peter Wolf, Craig Buchbinder, John Eastcroft, Paul Kalac, Peter Arbes, Andrew Heitner, Frank Austin, Jimmy Boggio. Kneeling — Tommy Bahr, Billy Montanaro, Jeff Gordon, Todd Millman, Steven Austin.

Gymnastics Club — Back row — Ellen Scott, Chris DeMontmorency, Jennifer Swaroop, Frances Gregos, Rebecca Hoffman, Liz DeMontmorency, Leslie Wingrove. Middle row — Eric Cole, Brad Clayton, Peter Saker, Todd Dunphy, Kevin Sullivan, Brian Thompson, David Taborn, Kyle Barr, Donald Bushell, Davey Greason, Bryant Fusco, Jean-Paul Orminati, Robert Pellicone. Seated — Melissa Mueller, Heather Barr, Erin Burke, Christine Sullivan, Andrea Van Schoick, Kristin Saker, Shoshana Schiff, Linda Creel, Beth Galinskie, Anne Schwan, Jo Jo Marsella, Lori Pellicone. Collapsed — Vivian Box, Coach Hanes

The varsity boys' basketball team, headed by David Posnick and Jim "L" McLain, won their first game against Admiral Farragut and, later in the season, had one of their best games against Somerset Vocational Technical School, which they won 73-43. This year Jim became one of four Ranney students to ever score over 1000 points.

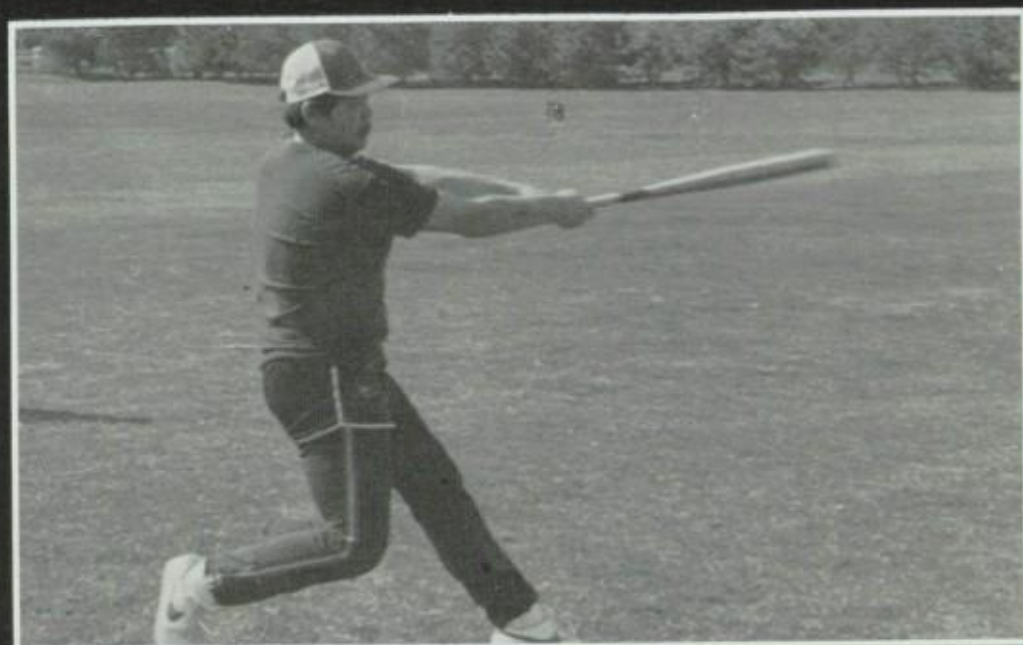

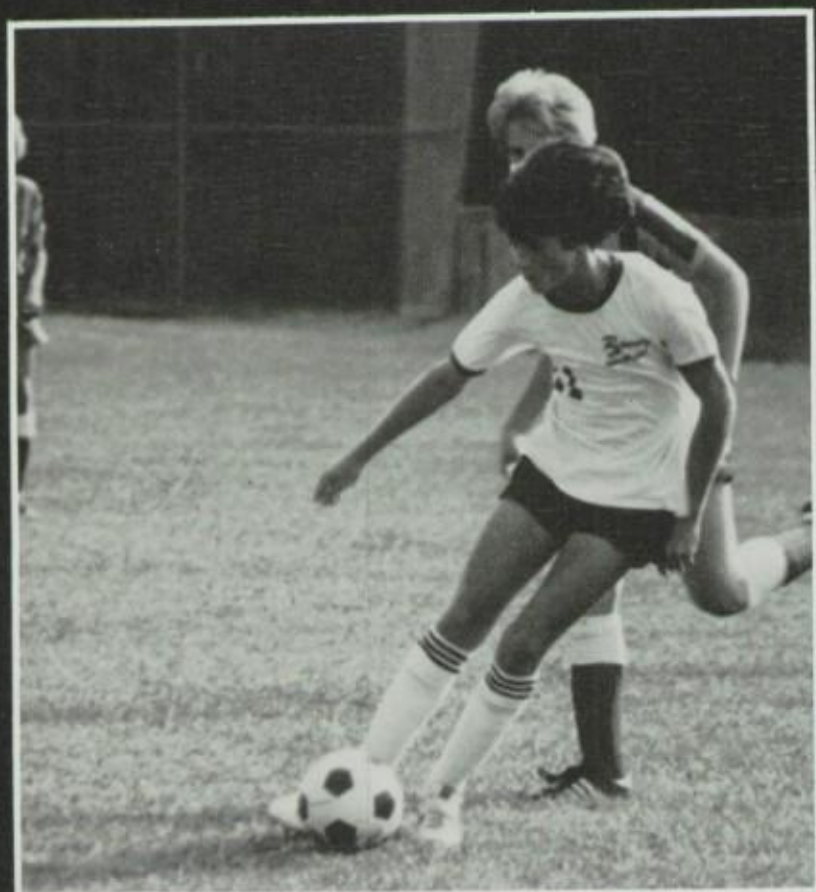

Girls' Basketball

Girls' Varsity Basketball — Back row — Gina Pellicone, Jeannine DeMontmorency, Laura Gasiorowski, Jennifer Hine, Suzanne Spahi, Michelle Mato. Center row — Coach McNamara, Dawn Aliotta, Cathy Jones, Toya Scott, Penny Post, Debbie Wasilewski. Kneeling — Diane Paustian, Michele Bahr.

THE GUN full swing the swimmer catapults and cracks six feet away onto that perfect glass he catches at and throws behind him scoop after scoop cunningly moving the water back to move him forward. Thrift is his wonderful secret; he has schooled out all extravagance. No muscle ripples without compensation wrist cock to heel snap to his mobile mouth that siphons in the air that nurtures him at half an inch above sea level so to speak. The astonishing whites of the soles of his feet rise and salute us on the turns. He flips, converts, and is gone all in one. We watch him for signs. His arms are steady at the catch, his cadent feet tick in the stretch, they know the lesson well. Lungs know, too; he does not list for air he drives along on little sips carefully expending but that plum red heart pumps hard cries hurt how soon it's near one more and makes its final surge TIME: 4:25:9

HORIZONS STAFF

Years from now when someone mentions 1984, I won't think of the presidential election or of George Orwell's book. No, I'll think of **Horizons** and its super staff who made putting the book together not only rewarding but fun. Beth — Moving rule lines by half a pica-thousands of them — was not too menial a task for you to (cheerfully?) undertake. Your unique ideas were always interesting, albeit difficult to accomplish. Lynne — you were absolutely terrific! You said you'd do anything and, even though you got the worst jobs, you did them quickly and impeccably. I wouldn't blame you if you refused to type again. Gretchen — you were indispensable. You arranged and identified the photographs of every single student. I bet you could re-produce the computer list from memory. Rona — how many M&Ms did we eat while writing copy? You had it all done on time. David — our token male — I'm sorry for the death threat letter — you were absolutely the best business manager a person could dream of. Because of your infinite charm and persuasive abilities, you sold out the largest ad section ever. Congratulations! Mrs. T. — your help went far beyond mere mechanics. Time and again, you offered your creative ideas, valuable advice, and irrepressible good humor — not to mention the theme copy! Nancy Tunis — your unflagging enthusiasm for this project (even for the little man) insured its success. You have to admit that we added a little spice to your job. Joel Gerard — thanks a million — nothing could have been done with you (and your camera). Your good nature in the worst moments of crisis should not have been imposed upon. It was, and we're grateful. Annitsa and Matt — you met even our most unreasonable deadlines and stayed good natured throughout the agonies of production. Finally, I would like to thank all of the seniors and their families who supported **Horizons** morally as well as financially.
